SUMMARY

Communications and marketing professional with 18+ years of experience developing audience-focused content, integrated marketing campaigns, digital communications, and brand strategies for government, publishing, hospitality, and business organizations. Proven success translating business objectives into compelling messaging, managing cross-functional initiatives, and creating websites, email campaigns, and marketing content that strengthen audience engagement. Combines strategic communications, analytics, SEO, AI-assisted content creation, and visual storytelling to deliver measurable results across print and digital channels.

EXPERIENCE

Independent Creative & Design Consultant – Creative Marketing Professional • Freelancer

Tiffin, Ohio | Jan 2007 – Present

- Lead branding, marketing communications, content strategy, website development, and integrated marketing campaigns for government, publishing, hospitality, and business organizations.
- Develop SEO-focused websites, marketing content, email campaigns, publications, and digital content aligned with branding and communication objectives.
- Lead cross-functional marketing and communications projects from discovery and strategic planning through execution and final delivery, ensuring business objectives, stakeholder expectations, and communication goals remain aligned throughout each engagement.
- Build and maintain WordPress websites, develop audience-focused content strategies, execute email and digital marketing campaigns, and utilize SEO, A/B testing, and analytics to improve engagement and user experience.
- Spearhead redesigns, refresh brands, launch advertising campaigns, and deliver visual communication projects to enhance consistency, professionalism, and audience engagement.
- Utilize Adobe Creative Suite (InDesign, Photoshop, Illustrator, Lightroom, Acrobat), WordPress, SEO, content marketing, and digital communication tools to deliver integrated solutions.
- Manage multiple projects concurrently while maintaining quality standards, meeting deadlines, and fostering long-term client relationships.

InGenesis (Camp Perry Lodging & Conference Center) Digital Marketing Specialist

Port Clinton, Ohio | Mar 2018 – Mar 2020

- Launched Camp Perry's brand from inception—including logo, website, photography, business cards, brochures, sales collateral, and marketing materials—establishing its first cohesive digital and print identity and increasing visibility, website traffic, and customer inquiries.
- Produced SEO-focused website content, promotional materials, email campaigns, and responsive email templates using MJML.
- Photographed and edited the lodging accommodations and facilities for use in their website, brochures, and marketing campaigns.
- Collaborated with military leadership to increase brand awareness and enhance communication with visitors.
- Partnered with organizational stakeholders to coordinate integrated marketing initiatives, align messaging across print and digital channels, and support shared business objectives.
- Managed creative projects and maintained brand consistency across media, resulting in increased customer engagement and supporting branded merchandise initiatives.

Terra State Community College Adjunct Professor of Digital Media Technology

Fremont, Ohio | Aug 2017 – Apr 2018

- Instructed undergraduate Digital Media Technology courses focused on web design, emphasizing HTML/CSS, WordPress, Adobe Brackets, and Emmet. Also covered topics including graphic design with Photoshop, digital communications, and related technologies.
- Developed course curricula, syllabi, assignments, examinations, and instructional materials that aligned with industry standards and program objectives.
- Delivered technology-enhanced lectures and facilitated hands-on learning experiences to support students in developing practical web and digital media skills.
- Assessed student performance, provided individualized feedback, and mentored students in academic and professional development.
- Recorded lectures for the students to review at their own speed.
- Managed multiple courses per semester with enrollments of up to 60 students.
- Leveraged professional experience in design, marketing, publishing, and digital communications to prepare students for careers in creative and technology-driven fields.

Schaffner Publications Inc.

Graphic & Editorial Designer

Catawba Island, OH | Jun 2014 – Jun 2017

- Designed and produced a weekly newspaper and several monthly publications, including business, parenting, real estate, and community-focused magazines.
- Created hundreds of print advertisements for businesses across diverse industries, collaborating directly with sales teams, business owners, and clients to develop effective advertising solutions aligned with their objectives.
- Oversaw publication layout, typography, image preparation, advertisement placement, prepress, and page composition while enforcing strict production schedules and deadlines.
- Led publication redesigns, developed logos, and enhanced brand identities to improve visual consistency, readability, and audience engagement.
- Prepared production-ready artwork while applying advanced print production, typography, and editorial layout expertise.
- Managed multiple projects concurrently, maintained quality standards, and consistently met weekly and monthly publication deadlines.

EDUCATION

International Academy of Design & Technology – Tampa, FL

Bachelor of Fine Arts (B.F.A.) in Web Development

- 2011 - Coursework combined web development, graphic design, publication design, branding, typography, multimedia, interface design, digital illustration, Adobe Creative Suite, HTML, CSS, JavaScript, server-side scripting, project management, and responsive web development. Completed a professional web development internship and developed a strong foundation in communications, digital media, branding, and visual storytelling.

Associate of Science (A.S.) in Web Design

- 2009 - Built a foundation in web design, digital imaging, typography, page layout, multimedia, user interface design, HTML, CSS, and Adobe Creative Suite while developing technical and creative communication skills.
