SUMMARY

Communications and marketing professional with 18+ years of experience helping organizations turn complex information into engaging publications, websites, and marketing content. Experienced in translating complex information into reader-friendly print and digital materials while leading projects from concept through production. Combines editorial thinking, publication expertise, WordPress, SEO, AI-assisted content creation, and visual communication to create information people can understand and organizations can maintain.

EXPERIENCE

Independent Creative & Design Consultant –

Creative Marketing Professional • Freelancer

Tiffin, Ohio | Jan 2007 – Present

- Plan and deliver integrated branding, websites, publications, marketing campaigns, and digital experiences for government, publishing, hospitality, nonprofit, and business organizations.
- Develop SEO-focused websites, marketing content, email campaigns, publications, and digital content aligned with branding and communication objectives.
- Lead projects from discovery through production, coordinating stakeholders, schedules, and creative deliverables.
- Build and maintain WordPress websites, develop audience-focused content strategies, and support email and digital marketing campaigns using SEO, analytics, and A/B testing.
- Lead redesigns, refresh brands, launch advertising campaigns, and deliver visual communication projects that improve consistency, professionalism, and audience engagement.
- Produce print and digital communication using Adobe Creative Suite, WordPress, HTML/CSS, SEO, and AI-assisted workflows while managing multiple projects, deadlines, and client relationships.

InGenesis (Camp Perry Lodging & Conference Center)

Digital Marketing Specialist

Port Clinton, Ohio | Mar 2018 – Mar 2020

- Established Camp Perry's communications program from the ground up, including branding, website, photography, brochures, publications, sales collateral, and digital marketing.
- Created the organization's first cohesive digital and print identity, improving visibility, website traffic, customer inquiries, and brand consistency.
- Produced SEO-focused website content, promotional materials, email campaigns, and responsive email templates using MJML.
- Photographed and edited lodging accommodations and facilities for use across the website, brochures, and marketing campaigns.
- Collaborated with military leadership and organizational stakeholders to align messaging across print and digital channels.
- Managed creative projects, maintained brand consistency, and supported customer engagement and branded merchandise initiatives.

Terra State Community College

Adjunct Professor of

Digital Media Technology

Fremont, Ohio | Aug 2017 – Apr 2018

- Taught 120+ students across Digital Media Technology courses covering web design, WordPress, HTML/CSS, graphic design, Photoshop, and digital communications.
- Developed curricula, syllabi, assignments, examinations, recorded lectures, and instructional materials aligned with industry standards and program objectives.
- Delivered technology-enhanced lectures and hands-on learning experiences to help students build practical web, design, and digital media skills.
- Assessed student performance, provided individualized feedback, and mentored students in academic and professional development.
- Applied professional experience in design, marketing, publishing, and digital communications to prepare students for creative and technology-driven careers.

Schaffner Publications Inc.

Graphic & Editorial Designer

Catawba Island, OH | Jun 2014 – Jun 2017

- Produced 156 weekly newspaper editions and supported 108 monthly magazine issues across business, parenting, real estate, and community-focused publications.
- Managed editorial layout, advertising design, typography, image preparation, advertisement placement, prepress, and print production across multiple publications.
- Designed thousands of print advertisements and communication assets while collaborating with sales teams, business owners, and clients.
- Led publication redesigns, developed logos, and improved visual hierarchy, readability, brand consistency, and audience engagement.
- Prepared production-ready artwork, maintained quality standards, and consistently met weekly and monthly publication deadlines.
